PUBLISHED BY THE CREATIVE WRITING CLASS

Foreword

To give the reader a review

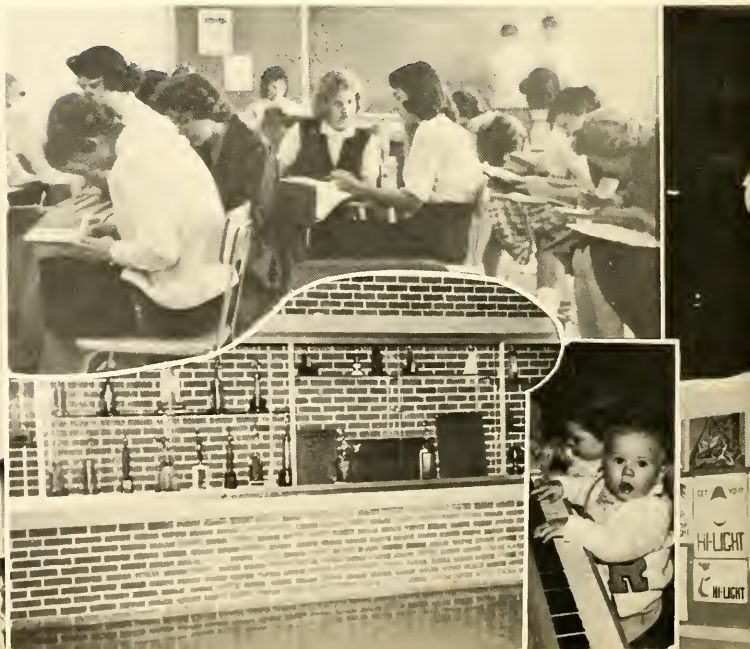
Of the past school year in words

And in pictures is the purpose of the

1960 Mirage. It is hoped that in the future

The former student will look back many times and

Recall memories from his days at Ruskin High School.



Linda,
Don't forget the secret meeting. You scared me when you started to fall over when you were ... the sacs. Good luck and the best of wishes.
See you next year,
Shelby Lawton III.

In October, the Student Council sponsored the yearly magazine sale campaign which provided nearly $1100 for the council treasury. This money was used to start a fund for a scoreboard for the football field, provide a school banner to lead the Golden Eagle Band in the Rose Bowl Parade, add to the landscaping around the building, purchase a permanent crown for homecoming queens and corsages for their attendants, and buy some additional mirrors for the school building.

Active in many affairs at Ruskin, the Student Council has chartered two new clubs, cooperated with the North Central Association Evaluation Committee, sponsored a United Funds Drive, and worked together with RATAP and homeroom representatives in May, 1959, to draft a student code for Ruskin.

Ruskin's Student Council has participated this year in many activities on national, state, and local levels.

Last summer, Ron Goodwin spent a week at Camp Cheley in Estes Park, Colorado, with other council representatives from all over the United States.

The council was vice-president of the Missouri Association of Student Councils. All of Ruskin's representatives attended the annual state convention in March at Jefferson City, and Ron presided over the election session.

Several council members went to a state workshop at Columbia during part of last summer.

Ruskin was also elected president of the local district. A district meeting was held at Lee's Summit in November for discussion of problems and new ideas. Next year as president, Ruskin will be host to this group.

International Honorary Society for High School Journalists

Quill and Scroll, the international honorary society for high school journalists, was organized April 10, 1926, by a group of high school advisers for the purpose of rewarding and encouraging individual achievement in journalism and creative writing.

Mrs. Lois Moore and Mr. Arch Wrisinger are the sponsors of this organization at Ruskin. Those students honored by being nominated for membership are pictured on the opposite page.

National Honor Society

The National Honor Society is a select group of students who show unusual character, scholarship, leadership, and service. These qualifications are represented by the letters C S L S on either side of the National Honor Society emblem, a keystone upon which is superimposed a flaming torch.

The Ruskin High School National Honor Society was reactivated in 1957. Only 15 per cent of the seniors, 10 per cent of the juniors, and 5 per cent of the sophomores are selected by a committee of twelve high school staff members.

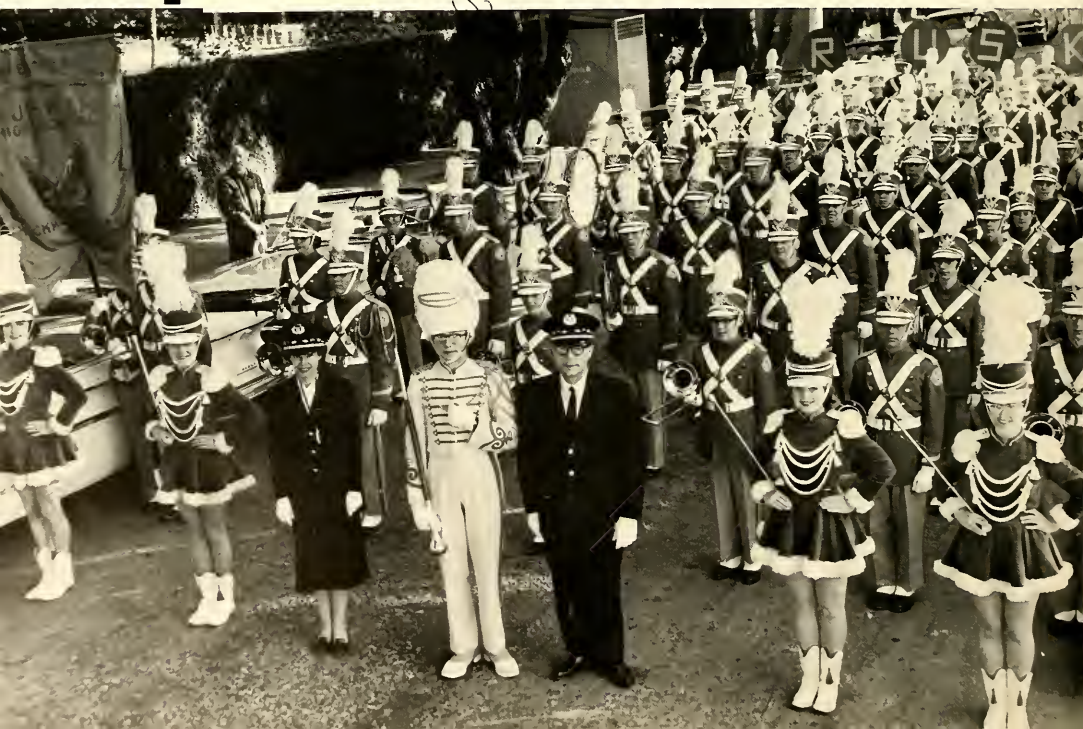
Ruskin Participates In



Tournament of Roses Parade

Going to Pasadena, California, to participate in the Tournament of Roses parade was considered a great honor by the Ruskin Golden Eagle Band. This marching unit had many wonderful experiences which no member will ever forget. Many places were visited and were enjoyed by everyone who saw them. Highlights of the trip were taking the rides in Disneyland, getting a real taste of Chinese food in Chinatown, visiting a restored ghost town in Knott's Berry Farm, seeing Hollywood and 77 Sunset Strip, watching the favored team, Wisconsin, getting defeated in the Rose Bowl game, and most important of all, getting the chance to march in and be a part of the wonderful Tournament of Roses parade on New Year's Day. For this wonderful trip and many other things which have happened to the Golden Eagle marching band, its members wish to express their appreciation and gratitude to everyone in the community and the state of Missouri for their help and contributions in making a dream come true.

The journalism staff wishes to thank the music department for sponsoring the following four pages.

Ruskin is very proud of its exceptionally fine marching band, the Golden Eagles, and its able directors Mr. and Mrs. K. Seward.

This worthwhile addition to the school's athletic equipment was first used the evening of December 18, at the basketball game with Park Hill.

An annual dance is sponsored by these boys. The dance for 1960 was held on February 19.

Art Club

Ruskin is proud of its newly formed Art Club. When the charter was drawn this year, there were 23 members. At the end of the first semester, the club opened its membership to those who had completed at least one semester of art in high school. Among other interesting places, the club visited the Walt Disney Exhibit about Animation. One of their projects was designing and decoration of the front window for Christmas.

Dear Linda Lou,
So you think I'm the athletics type huh?
Well, I am! But only in running from
boys! Ha! Boy, this year sure has
gone by fast. We've had a lot of
fun though. And awful times too.
Hope we have at least an equal
time of fun next year and the year
after. I don't think I'll ever forget
Contest at Columbia or the one at
Warrensburg. They were both a
real blast.
Now for the serious part. Lin,

This is no reflection on your dryer.

Is all this necessary?

Just how do you plan a meal?

Having completed their first year in home economics these girls have taken a step toward the future. All girls should prepare themselves for jobs as housewives and mothers because this is the field in which most of them eventually settle.

Ruskin offers an excellent four-year course in home economics including sewing, cooking, laundering, and, for those who do (or don't) have the privilege at home, dishwashing.

The home economics classes are under the supervision of Miss Marguerite Stilley and Mrs. Helen Maples.

Linda,

It sure was keen seeing you this year. Also a real bonus having you as a typing partner with me. Mr. Bagley's quite a card & I will, don't feel too bad about it.

I sure hope we see each other next year cause I crave you!! Yodest (?)

You're so cute I just don't understand why more people don't like you.

You also have some sort of a personality.

I think it called generated.

No kidding though I mean it. I said it for you. Bye — Peg
